

If there would be a James Bond light fixture, we like to believe this is the one. Okay, our Retro '70 will not shoot bullets with a push of the button (Q wasn't involved in this design) No, Retro '70 would just casually hang in Bonds' stylish apartment. What do you think, in copper or chrome?

RETRO '70 COPPER

Copper coloured metal shade
Copper coloured canopy (12x3 cm)
Cord with black textured cable
Light source: E27, max. 60 watt
