PIX

Design exactly where you need it

The stylish PIX range is a collection of sophisticated, round socket outlet and connector units that can be used in many different ways – in the office, kitchen, public lounge or at home.

Used alone or in your chosen combination, the decorative rings are available in various colours and can be interchanged. An ingenious, swivel-mounted cover, providing protection from dust and dirt, is available as an option for PIX and can also be retrofitted.

With its round, flat shape and minimalist appearance, the PIX meets design requirements exactly where you need it.

The benefits at a glance

- Can be integrated on its own or in your chosen combination
- Interchangeable, coloured decorative rings
- Small diameter of 55 mm
- With swivel-mounted cover as an option
- Simple mounting from above, retrofitting possible too

PIX power strips
