ADI Design Index

The dragonfly is the inspiration for the Dragonfly collection.

Two rear legs inclined as if ready for flight, combined with a distinct back in vertical ribbing, gives Dragonfly a light elegance. Thanks to its design and technical detailing, the Dragonfly has received many international awards.

Available in the three graphic primary colours- black, white and red-the Dragonfly collection adapts to the various needs of the market. Stackable, padded, with or without arms, wooden or metal legs - the multitude of options are evidence of the flexibility and know-how Segis applies to each design in order to provide products capable of enriching the environment where they are destined.

Dragonfly options:

Chair with cantilever base, oval steel tube 30x15mm
Powder coated or chrome finish, feet in thermoplastic material

Chair and stool with wooden legs

Stacking chair with and without armrest, four-legged frame in steel tube Ø 18mm
Powder coated or chrome finish, feet in thermoplastic material

Stacking chair with and without armrest, sled base of steel rod Ø 12 mm
Powder coated or chrome finish, feet in thermoplastic material

Stool with and without armrests, sled base of steel tube Ø 18mm
Powder coated or chrome finish, feet in thermoplastic material

Chair with 4 star swivel base in die-cast aluminium.
Powder coated or polished brushed finish, feet in thermoplastic material

Chair with 5 star swivel base in die-cast aluminium with self-braking castors and adjustable seat height. Powder coated or polished and brushed finish

Swivel stool with fixed or adjustable seat height, steel base Ø 45 cm
Powder coated or chrome finish

Dragonfly

Design
Odo Fioravanti

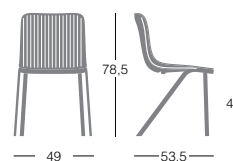

segis

Chair on cantilever base, non stacking.

Frame in oval steel tube 30x15 mm available in powder coated or chromed finish. Shell in recyclable polypropylene reinforced with fiberglass, on request a fire retardant version (Class 2) is available. Glides in thermoplastic material.

Upholstered options (seat height plus 2cm): polypropylene shell with frontal upholstery or seat cushion only.

Certifications ANSI BIFMA.
