**150**  
years of *Milliken*

## INSPIRED. INSPIRING.

Balance soft and hard surfaces with coordinating Milliken Luxury Vinyl Tile. Mirror the distressed aesthetics of Eero from the Freelay collection, or inject subtly with Polished Concrete, Fargesia Bamboo, PowerGrid, and Heritage Wood.

Freelay is available in various patterns and sizes, for exponential design possibilities.

## MILLIKEN FREELAY LVT

The Freelay LVT Collection brings the additional benefits of new aesthetics, installation options, and improved comfort and acoustics to Milliken's Luxury Vinyl Tile offering. From natural looks of wood and manmade stone to more modern woven textures and abstract patterning, Freelay creates new options for pattern scale and quality flooring installation in a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of all of original and new Freelay LVT options to modular and broadloom carpets. From carpet tile to broadloom to planks to LVT, Milliken provides durable and elegant options for your project.

# Milliken Freelay LVT Construction

1.

ADÁMAS™ POLYURETHANE COATING

Provides excellent stain and abrasion resistance, eliminates the need for wax, polishes and harsh chemicals—reduced maintenance costs and improved IAQ
2.

TRANSPARENT WEAR LAYER

Hard wearing, provides long lasting appearance retention in heavy commercial traffic environments
3.

PRINTED LAYER

This layer utilizes high definition print film for stunning, eye-perfect, authentic visuals
4.

CORE LAYER

High performance layer that provides extra stability and durability
5.

GLASS FIBER LAYER

Minimizes expansion and contraction under extreme temperatures
6.

BACKING LAYER

High vinyl content backing layer provides robust foundation and impact resistance
7.

NON-SKID BACKING

Allows adhesive free installation and replacement

**Wear Layer Thickness**  
28 mil (0.7 mm)

**Overall Thickness**  
.197" (5 mm)

Milliken LVT meets many environmental standards, including:

- 100% REACH Compliant
- FloorScore® certified
- Declare ingredient label
- Third Party Certified EPD

Milliken LVT is highly durable resilient flooring engineered with the highest quality raw materials to provide unsurpassed performance and enduring aesthetics. Milliken LVT is 100% phthalate free utilizing bio-based plasticizers derived from soya bean oil as the phthalate alternative. All production waste is granulated and recycled into backing production to create an internal closed loop recycling process. Milliken LVT is manufactured at facilities that are ISO 9001 and ISO 14001 compliant.

# Complete Flooring Solutions

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, broadloom & modular carpet, luxury vinyl tile, and milliCare®. Simplify your flooring needs with a trusted partner that will let you enjoy creating a great space without having to worry about everything else.

## Entry Systems

The OBEX® brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building.

Available in coordinated colors and patterns, OBEX® entry products are engineered to increase the functionality of a building's entrance without forsaking elements of design or aesthetic. Simple and easy to work with, OBEX® offers entry systems that can be recessed or surface-mounted as well as exterior and interior applications.

## Luxury Vinyl Tile

From natural looks of wood and stone to more modern textures and abstracts, Milliken's collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets. From carpet tile to broadloom to planks to LVT, Milliken provides durable and elegant options for your project.

## Broadloom & Modular Carpet

Milliken's broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. With our Color Reference system, coordinating multiple products across a single project is a snap; whether it's carpet, LVT, or entry systems. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits. Broadloom carpet also has cushion-back options, and all are standard with StainSmart®, a proprietary treatment applied to Milliken carpets to repel and protect against stains and enhance soil release.

## milliCare®

We care for the environment with products and a method that improve Indoor Air Quality and reduce water consumption and your carbon footprint. We care about you professionally by saving you time through customized service plans for your entire space provided for by our franchise network. You work healthier and live healthier, and the planet is a better place because of it. We can bring that same quality of care and service to you wherever you are. milliCare takes caring for your flooring and textiles off your to-do list, which means that you get to skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.
