

03851 TOLEDO AIRE CHAIR SAND

Designed by **JORGE PENSI**

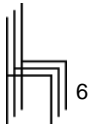

Designer description

Toledo Aire is the evolution of the iconic aluminium Toledo chair. Produced as a single piece of injected polypropylene, its shapes flow connecting the seat, arms and backrest with great harmony. The variety of colors, lightweight and strong formal attributes make Toledo Aire a timeless piece that can coexist in different architectural spaces.

Technical description

Armchair for indoor and outdoor use. Produced as a single piece of injected polypropylene with fiberglass using gas assisted injection moulding technology. Stackable. Net weight 3,85 kg (8.48lb).

H 77,70 x SH 44,50 x AH 68,40 x W 55,00 x L 54,00 cm

H 30,59 x SH 17,52 x AH 26,93 x W 21,65 x L 21,26 in
