CHAIK 107

Antwerp Learning & Meeting Point, Belgium

A long, rustic wooden conference table with leather chairs in a modern office setting. The table is made of thick, dark wood with visible grain and knots. It is surrounded by leather chairs with a distinctive X-shaped backrest. The room has large windows on the left and back, providing a view of the outdoors. The ceiling is made of horizontal wooden slats, and there are two large, conical pendant lights hanging from it. A small potted plant sits on the table in the center. A tablet is propped up on the table, and a small white card is also visible. In the background, there are more chairs and a floor lamp.
