MIDJ[®]
in Italy

Express your living

Dal 1987, con l'aiuto dei migliori designer italiani e stranieri, progettiamo e realizziamo tavoli e sedie per dare **personalità** alla tua casa.

Evolviamo costantemente le nostre collezioni selezionando i materiali e le finiture migliori e più attuali, per darti la possibilità di esprimere tutto il tuo gusto e la tua personalità.

Abbiamo iniziato **in Italia** 30 anni fa e continuiamo ancora oggi a lavorare nel nostro Paese, che rimane un riferimento inarrivabile per **creatività, saper fare** e passione per il bello.

Costruiamo e testiamo prodotti disegnati per essere usati, belli ma fatti per **durare nel tempo**.

From 1987, in partnership with the best Italian and international designers, we design and create chairs and tables that can bring a unique **personality** to your home.

We continue to develop and renew our collections, choosing the best materials and finishes, to give you the possibility to completely express your style and character. We started our production **in Italy** 30 years ago and we keep working in our Land, an incomparable reference point for **creativity, know-how** and sense of beauty.

The products we create and test are beautiful and functional at the same time, meant to be used and to last **for a long time**."
